

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF MISSISSIPPI
NORTHERN DIVISION

MICHAEL HENRY HEARN,

Plaintiff,

v.

CAUSE NO. 3:22-CV-470-CWR-FKB

MTC,

Defendant.

ORDER

Before the Court are the Magistrate Judge's Report and Recommendation, Docket No. 22, and the plaintiff's objection to that R&R, Docket No. 23.

On review, the Court is persuaded that the Magistrate Judge's factual findings and recommendations should not be disturbed. The plaintiff's objection is overruled and the R&R is adopted as this Court's own Order. Accordingly,

The motion for leave to proceed IFP is denied. A separate Final Judgment shall issue. If, however, the plaintiff submits the \$402 filing fee to the Clerk's Office within 30 days, the Clerk shall reopen this case.

The motion to appoint counsel, Docket No. 16, is necessarily denied.

SO ORDERED, this the 17th day of March, 2023.
